PERSONAL SUMMARY

Creative and detail-oriented Digital Media graduate seeking a junior role or internship in UI/UX, digital media, or graphic design. Strong foundation in user-centered and accessibility focused design, with hands on experience in visual design, interaction design, and digital production. Experienced in leading creative projects and collaborating with cross-functional teams in academic and realworld settings. Passionate about designing meaningful digital experiences that create social impact. Long-term goal is to grow into a skilled UI/UX or interaction designer leading inclusive, high-impact projects. Aspires to take on leadership roles within education, media, and social impact sectors.

WORK EXPERIENCE

Technical Assistant

[London Metropolitan University](#) | London

Mar 2024 – Present

- Assisted in conducting digital skills training sessions, improving user confidence in Microsoft Office, Adobe Suite, and online learning platforms.
- Supported the setup, maintenance, and troubleshooting of computer labs, AV equipment, and campus IT infrastructure.
- Delivered hands-on technical support to students and staff, resolving hardware, software, and system issues.
- Ensured smooth daily operations by responding promptly to technical requests and IT incidents.

Student Ambassador

[London Metropolitan University](#) | London

Oct 2023 – Present

- Mentored and supported students to enhance their academic and personal development.
- Promoted student engagement and participation in university programs.
- Assisted in organizing and executing events and activities.
- Performed PR work representing the university.

Chief Designer

[Code the News – University Magazine Project](#)

Jan 2025 – Feb 2025

- Directed the overall visual identity, layout, and design of the university magazine, ensuring alignment with brand and audience expectations.
- Collaborated closely with editorial and content teams to translate ideas into visually compelling narratives.
- Developed typography, imagery, and layout structures to enhance storytelling and reader engagement.
- Managed the design process from concept to final production, maintaining consistency and quality.

Graphic Designer (Intern)

[I TALK TO STRANGERS Foundation, Inc.](#) – Remote (USA)

Mar 2024 – Apr 2024

- Created digital assets, including social media graphics, web banners, and promotional materials, for campaigns and outreach.
- Produced high-quality designs under tight deadlines using Adobe Photoshop, Illustrator, and Canva.
- Coordinated with marketing teams to ensure consistency and maximize audience engagement.
- Contributed creative ideas to strengthen brand identity and campaign effectiveness.

Ambassador – Saturday Club Programme

London

Mar 2023 – Mar 2024

- Promoted curiosity, creativity, and engagement through interactive teaching and mentorship.
- Assisted in organizing and executing activities that encouraged exploration and innovation.
- Guided young students (ages 13–16) through creative learning workshops and projects.
- Supported students of all abilities to ensure accessibility and equal participation.

Student Council Member

London Metropolitan University Student Union

Oct 2022 – Oct 2023

- Recognized as “Volunteer of the Month” for leadership, dedication, and contribution to student life.
- Organized and facilitated student meetings to collect feedback and support campus initiatives.
- Acted as a liaison between students and faculty to address concerns effectively.
- Assisted in planning and promoting student-focused events and activities.

Student Representative

London Metropolitan University Student Union

Sep 2022 – Sep 2023

- Collected and communicated student feedback to faculty to improve learning and campus experiences.
- Honored as “Volunteer of the Month” for commitment to student representation and service.
- Encouraged student engagement in university programs and activities.
- Supported the implementation of student-led initiatives and events.
